Forecast for Thursday 11 Nov 2021

Weather: Cloud overnight with occasional rain and drizzle. Mainly dry in the morning with any patchy light rain and drizzle around Ben Lawers and the west soon dying out. Some brighter spells developing, the best of these over the Aberdeenshire and Angus hills, before patchy light rain develops later in the afternoon, the rain becoming heavy and persistent towards midnight. Winds also strengthening later in the day.

Chance of cloud free mountain/hill tops above 800m: 40%, best chance around the middle of the day.

Visibility: Often good or very good lower down, but moderate in rain. Poor or very poor at times at height, extensive cloud with bases 600 to 900m, but could be near or above the summits around the middle of the day.
